From

Secretary to the Government of His Highness the

SIR

With reference to your docket no 65/Edn 460-12-2 dated 3rd July 1913 inviting attention to Representative Assembly Subject no 454 of 1912 regarding a Students' Home at Mudigere I have the honour to inform you that Mr Andipur Kalleowda Coffee Planter and Merchant wants to extend the benefits of education to the backward Malnad ryot population by way of constructing a Students' Home at an estimated cost of Rs 5 000/- and residential quarters to the masters of the Anglo-Vernacular School at Mudigere at a cost of Rs 6 000/-

2 Now the gentleman has come forward with a liberal offer of Rs 3 000/- which has been deposited in the Taluk Treasury towards cost of construction of a Students' Home. The Treasury receipt has been received in this office. It is reported that a ~~govt~~ Government site has been selected close to the building of the Anglo-Vernacular School for the purpose.

3 The Anglo-Vernacular School is attended by both boys and girls. The number on the roll on 30th June 1913 was 100, of whom 83 were boys and 17 girls. Of the number on the roll more than half are the children of traders and land-holders. It is commendable that a

representative of such a class of people has come forward with a good contribution towards the cost of constructing a Students' Home in a Malnad place like Mudigere, for the benefits of the students who cannot at present prosecute their studies, commanding all the comforts and conveniences to be secured in residential quarters

4 In these circumstances, I request that Government may be pleased to sanction a building grant of Rs 2,000/- towards the construction of a Hostel, out of the savings of the lump sum provision made in the current year's budget, under head 18 H Grant-in-aid (4) Building Grant

I have the honour to be,

Sir,

SIR

With reference to your letter No 3754/Edn 460-12-4 dated 18th September 1913 requesting me to furnish particulars regarding the recurring expenditure that will be necessary in connection with the Hostel at Ludgere and how it is proposed to be met I have the honour to inform you that the building for which a grant has been recommended is estimated to cost Rs 5 000/- of which Mr Kalle Gowda has promised to contribute Rs 3 000/- and the balance of Rs 2 000/- has been recommended to be sanctioned by Government Mr Kalle Gowda who visited me some days ago and with whom I had a talk on the subject of the recurring expenditure for the Hostel at first wanted a monthly grant of Rs 40 from Government, but on my explaining to him that there was little hope of getting such a large grant reluctantly reduced the amount to Rs 20 I am not sure whether it will attract a large number

number of students, especially in the future, when on account of the present generous policy of Government a large number of primary schools is likely to be established at convenient centres Mr Kalle Gowda is unwilling to transfer his charity to Chikmagalur where it is likely that a larger number of pupils will congregate
